Fencing, paths, driveway and landscaping are not necessarily to scale. Images of some items may be an upgrade. All dimensions and sizes are approximate and can vary with different facades, and also due to building code, regulations, and Developer Design Guidelines. Refer to contract documentation for details. Working drawings take precedence over this brochure. Always refer to endorsed/council approved plans. Siting and position of the garage are for illustration purposes only and may change subject to approval by relevant authorities. A house design can be mirror imaged to suit a crossover being on the opposite side to illustration.
